Swizzy

Wherever you are, shine

Whoever you are, shine

Wherever you are, shine

Whoever you are, shine

Wherever you are, shine

Whoever you are, shine

Hey, hey, I told you

Ridin? with my top down with my jewelry on

Hey, I?m just gettin? my hood on

I'm just, I?m just doin? my thing

I?m just, I?m just doin? my thing

Hey, yep, hey, yep, hey, yep, hey

I said, I?m ridin? with my top down with my jewelry on

Hey, I?m just gettin? my hood on

I'm in the hood bouncin? sprayin? like a fountain?

Money like a mountain?, tell me why you doubtin??

I know why you doubtin? ?cuz we gettin? paper

Hey, tell ?em again? Swizzy, we gettin? our paper

I?m in the hood, top down with my jewelry on me

With security on me, I got my goons on me

I get ?em off me, I shake them haters off me

Get ?em off me, I shake them haters off me

Niggas, is you with me? My bitches, is you with me?

If you got a problem then, sucker come and get me

Y?all know my name, you see the candy paint

It spell my name, Swizzy

Ridin? with my top down with my jewelry on

Hey, I?m just gettin? my hood on

I'm just, I?m just doin? my thing

I?m just, I?m just doin? my thing

Hey, yep, hey, yep, hey, yep, hey

I said I?m ridin? with my top down with my jewelry on

Hey, I?m just gettin? my hood on

It's like, bum, bum, bum, bum, bum, you know the black
is bumpin?
Things on the corner, man, you know the block is
bumpin?
Speakers in your trunk, shit thumpin?
They playin? my song, people is jumpin?

Now we got a little block party
Y'all, it ain't nothin' but Henny and Bacardi
Y'all sittin' on the stoop, on the milk crate
How you livin' life? Fuckers, say great, great

Y'all came from nothin' into somethin'
Why these niggas hatin'? Why these niggas frontin'??
We just ridin' with our tops down
Niggas, I can play it, somebody got shot now

Ridin' with my top down with my jewelry on
Hey, I'm just gettin' my hood on
I'm just, I'm just doin' my thing
I'm just, I'm just doin' my thing

Hey, yep, hey, yep, hey, yep, hey
I said, I'm ridin' with my top down with my jewelry on
Hey, I'm just gettin' my hood on

This chick said, 'Swizz, I wanna ride in you Viper?
I said, 'Hell no, don't you know that's a Spiker?
Number 2 and there only 20 in the world
You sit in my seat it? I'll change the world

I'm fresh to death like a million bucks
Threw on my Luis hat with my fuckin' Gucci chucks
Stepped out the Bentley, bitch said, 'Oh no?
I said, 'Easy, chick, you know I gotta go?

Ridin' with my top down with my jewelry on
Hey, I'm just gettin' my hood on
I'm just, I'm just doin' my thing
I'm just, I'm just doin' my thing

Hey, yep, hey, yep, hey, yep, hey
I said, I'm ridin' with my top down with my jewelry on
Hey, I'm just gettin' my hood on

Shine, wherever you are
Shine, whoever you are
Shine, wherever you are
Shine, whoever you are

Shine, wherever you are
Shine, whoever you are
Shine, hey, hey
Shine, shine
