Verse 1

Nubia huh papi screaming out they mouth
Bombshell just to suck it mami wanna speak out
What I need in my life make the body freak out
Baby seem like the type marry nigga sneak out
Like I'm ballin' ya'll
Guess I be a parlin' ya'll
Boss type holdin' down
Wanting all of ya'll
Callin' ya'll, never chasing me down
3 weeks heart broken, yes you hatin' me now
She speaks soft spoken 'till she dating a clown
I'm takin' em down
Reel 'em in
And makin' em drown
Mistake I say "give me that, I'm taking it now"
What I need from a nigga living in for the sound
Audacity even asking me for ass I laugh this bitch is
fast and free
Swatting the mall when I see this niggas a flee
Plotting of course for riches millionaire wanna be
uh huh.....

Chorus

What ya'll niggas want
(Swizz) What we want right?
You can't touch
All ya'll niggas need
(Swizz) What we need in our lives?
Is right here with me
Sounds ya'll wanna hear
(Swizz) Who dat who dat
Swizz Beatz
I'm the one to fear
(Swizz) Why?
It's my time feel me

Verse 2

Popular since I started my life.....

Eve you know my name, probably the dangerous type

Brick house stallion think you taming me right

Not this baby though Philly streets they raising them
right

Keep it pretty.....ya'll could make it greedy

Be a lady.....

Need boots, pocket books, and a baby 380

But for her to keep it calm and cool ... when I'm heated I

suggest you move

Just to avoid a bad situation....what you got to
prove????

Leva be chicken squatting hating frequently
