"How Do You Do"

Visit "[How Do You Do](#)" on MotoLyrics.com

we sat and watched a new day melt 'til dawn
had my share of memories, now it's time to move on
another lonley lesson never turned out wrong
these things I've done without you - should have never
been done
call on me and I'll shout down...
how do you do when I'm not around?
I've never felt this wrong and now I know
this love was burnin' thru me though it never did show
let's spend 2 lives together kissing the stars below
we're hot inside each other - never let you go
call on me and I'll shout down...
call on me and I'll shout down
