How i miss you

How i miss you

How i miss you

I should never call

How i hope that you still miss me

Did I lose you?

Did I lose you?

Did I lose you?

Somewhere down the line

Hide & seek's alright if i find

Do you miss me

Like i miss you

If you miss me,

Never go away

Hopefully, you'll come stay someday

If you're leaving,

come back soon

Thats not easy to say

I'll wait here,

dream of you

all alone as i ache
