"Learn To Fly"

Run and tell all of the angels
This could take all night
Think I need a devil to help me get things right
Hook me up a new revolution
Cause this one is a lie
We sat around laughing and watched the last one die
I'm looking to the sky to save me
Looking for a sign of life
Looking for something to help me burn out bright
I'm looking for complication
Looking cause I'm tired of lying (trying)
Make my way back home when I learn to fly
I think I'm done nursing the patience
I can wait one night
I'd give it all away if you give me one last try
We'll live happily ever trapped if you just save my life
Run and tell the angels that everything is alright..
Fly along with me, I can't quite make it alone
Try and make this life my own
