Call and I'll answer at home in the lost and found  
You say that I'm much too proud  
Someone who's taking pleasure in breaking down  
Nevermind the mannequins, drunk in their hollow town,  
Drinking their spoils down, cheap imitations  
The revelation is now.  
You wont find me I'm going MIA  
Tonight I'm leaving going MIA  
Getting lost in you again is better than being numb  
Counting every minute till the feeling comes crashing  
down  
Run when it hit's the ground, I'm good at escaping  
But better at flaking out  
Calling unanswered the center becomes blown out  
Stuck on the inside now  
It's fear I'm embracing  
I never could face you down  
Red, red, laced around your head  
Cold and rescued  
You wont find me I'm going MIA  
Tonight I'm leaving going MIA

So you don't find me I'm going mia

Tonight I'm leaving going MIA

Say good-bye to me I'm going MIA

I can find relief I'm going MIA

Getting lost in you again is better than being numb

Better than playing dumb
