if I share powdered milk with you

I glue a picture to the chair

spit and butter from the plate that broke a week ago

Gather Round'

Gather Round'

Gather Round'

a father scolds his little boy

for trading secrets with a girl

he turns and kicks the neighbors dog into the other  
yard

Gather Round'

Gather Round'

Gather Round'

for Marys homeless people in the cardboard church

beneath the ramp fire is left for anyone to blame  
until.....

Gather Round'

Gather Round'

Gather Round
