I'm the kind of guy who likes feelin' high

Feelin' high and dry, and I really like to fly

I'm your kinda guy, girl I'm not too shy

And I want you to fly, so I think you oughta try

Ozone, ozone, ozone, ozone

I'm your kinda guy and I'm not too shy

Feelin' high and dry, and I want you to be mine

So I think it's time, girl, to start feeling fine

Feeling good all the time, so I think you oughta try

Ozone, ozone, ozone, ozone

Now I'm the kinda guy who likes getting high

Getting high and dry, and I do it all the time

If you think it's a crime and you don't wanna try

Something that'll make you high, then I think I'll say
goodbye

'Cos I'm the kind of guy who likes getting high

Getting high and dry, and I do it all the time

Now I'm much too high, I am high and dry

And I'm feelin' fine, I'm feelin' good all of the time... (to
fade)
