I'm molasses hung in rent  
read a sponsor one shot no post-show  
tear it off, but not a lot, it's not enough to debate  
as if you blame real and stagnate  
big shit no shit  
tear it off, but not a lot, only so much you can take  
some try that hit  
beast and mud lead  
big shit no shit  
tear it off, but not a lot, only so much you can take  
tear it off, but not a lot, it's not enough to debate  
big shit no duh  
right?  
one shot nothing
