I'm alive  
I can feel the blood  
Rushing through my veins  
And that's all I need to know  
Cause I'm not looking for a change  
Cause I got friends and enemies  
But it just don't bother me  
Cause as long as I believe  
I can breathe

[Prevail]  
metamorphis, battleaxe fortress,  
four-hundred horsepower  
full moon the sorceress  
swollen members an my girl, NF  
the predators an the terminator  
the tribes cold breath  
why we hurt em' later  
we can do so much damage now,  
they'll truck em  
when i hit em  
so much garbage around  
yells, bells, and whistles  
like carnival sounds.  
phenominal adrenaline  
from the words of my mouth.

[Mad Child]  
How did Shayne manage to rap  
With brain damage, I'm phat  
Remain famished and stacked  
Your playin with the praying mantis, infact  
You gigantic, you sink like titanic  
Panic attack, act up  
And I'm a mack truck  
Crash into disaster  
Smash like master-blaster punker  
Rangle-monster wants to stomp you  
Crushing cause I'm vein  
Question that remains  
Will tomorrow be the same blood, rushing through my  
veins

[Chorus]

[Nelly Furtado]

well, this is before I knew how to, that we are of this  
point to do, what i did of  
was so safe to do, whether it be easy enough to do

[Moka]

im sharin a mouth  
im like a crispy creme  
prevayer belt.  
with the sync notes  
swollen like your lymphnodes,  
we went from instro to intro to  
insto,  
coincidentally  
messin up your mental state,  
we makin ends glow  
pacific center ?  
me an my kinfolk attention  
nobody can do it like your man mok'  
my bands dope!  
the tracks all flow  
im beautiful  
thats for sure!

[Prevail]

the harlem of queens,  
the decibal kings,  
inevetable, we were born to do incredible things,  
i let it ring like freedom  
swing letters from my jaw  
twenty six in the mix  
an we do it better than ya'll

[Mad Child]

im a neanderthal,  
yuor bound ta fall,  
im wonderful  
we warned ya all  
its foreign to y'all  
its wonderful the underworld  
beautiful minds,  
tryin to keep it independant  
in recruitable times.

[Chorus (x2)]

[Moka]

we crashin thru you,

now feel the magnitude  
were flashin thru  
inside of you  
it has to do with how  
you do your thing  
be true to only you  
well moka only  
tellin you  
is take your soul an  
talent to  
the next plateau  
an balance  
who you try to think of times two

[chorus]
