im alive,
i can feel the blood
rushin thru my veins
an thats all i need to know,
cuz im not lookin for a change.
cuz i got friends and enemies,
but it just dont bother me,
cuz as long as i believe,
i can breath!
[end of chorus]

{prevail}
metamorphis, battleaxe fortress,
four-hundred horsepower
full moon the sorceress
swollen members an my girl, NF
the predators an the terminator
the tribes cold Breath
why hurt em'later?
we can do so much damage now,
They'll truck em
when i hit em
so much garbage around
yells, bells, and whistles
like carnival sounds.
phenominal adrenaline
from the words of my mouth.

[mad child]
how did shayne manage
to rap?
with brain damage im phat
remain famished and stacked
your playin with the
praying mantis,
infact you gigantic,
you sink like titanic
panic attack act up
an im a raptor

crash into disaster

smash like master-plaster,
punker,
rangle-monster wants
to stomp ya
crushin' cuz i'm main

question that remains
will tomorrow be the same
blood rushin thru my veins?

[chorus]

[nelly furtado]
a noices people i knew had to, thats

we are of this point to do what i did of
so spoint to to weither it be easy enough to do

[moka]
im servin em out
im like a crispy creme
conveyor belt.
with the synth notes
swollen like your lymphnodes,
we went from instro to intro to
instore,
coincidentally

messin up your mental state,
we makin pens glow
pacific central pay me
and my kinfolk atttention
nobody can do it
