A microphone is a beautiful thing, speak ya mind  
Fuckin', look at, look at fuckin' Madchild  
And his Gerber baby fuckin' haircut

Chicky, chick ah, we puff the stuff daily  
Hey hooray bless the tray, Lord save me  
Take one for you, two for me, son pay me  
89 seven set and let out crazy

Cafe open 1:30 in the a.m.  
The street vigilante real do or die agent  
The sworn statement, Son look how we came in  
The mental patient will make you move on the  
pavement

Heinous gold mic assault, ill, famous, nameless  
Remind me how Son Doobie reign it  
Hippie hold on, more funk, Swollen kick it  
Stick it till they [Incomprehensible] party people come  
get with it

Madchild's committed  
(That's right)  
Prevail's committed  
(A for life)  
Sundoobies committed  
(A West Coast)

All tha sickest MC's world wide  
We the illest, 'cause y'all is committed  
(Can't be stopped)  
And they's committed  
(Straight hip hop)  
And we's committed  
(For life, a for life)  
So feel this one-two S and M come the realist

In the wild witching hour when the sun sets  
I've learned to outrun ships of outlaws and cutthroats  
Some spoke of who knows where I'll turn up  
The streak from our recorded scores could torch  
Europe

The overhand thrust is a motion not to trust or confide  
in

'Cause I wield the trident like Poseidon  
My last slip knot hangs for Shanghai surprise  
The last of my crew is skeleton by design

Cannon balls crush courtyards and those courted  
Those falsely supported, it's been duly noted  
Unruly, roguish and sordid constrewn crews  
I've strewn body parts, make art in the arcs of the  
moon

A Prev-one come ill like that

Madchild's committed  
(That's right)  
Prevail's committed  
(For life)  
Sondoobies committed  
(World wide)

All tha sickest MC's world wide  
We the illest, 'cause y'all is committed  
(Can't be stopped)  
And they's committed  
(Straight hip hop)  
And we's committed  
(For life, a for life)  
Feel this one-two S and M come the realist

Iron magic Black Sabbath and Tabitha  
Control freaks on power trips heathens and masochists  
Powder electrocutes, executive executes  
Primal expressionist is to purify wizardry age

Withering strength and swiftness of the beast  
Indulge triumphant feast, the hunter moves in circles  
Enter the spirit world sliced by Samurai  
Unphotogenic, schizophrenic and camera shy

Carnivorous cretin evil cartoon character  
Triple aces faces of death breath replaces  
Empty spaces explicit embraces

The dream chaser, lifelong committance  
Brass knuckles, white fists cue ball in a sock  
Mad Child rocks Mohawks and Tomahawks

Madchild's committed  
(For life)

Prevail's committed  
(Can't be stopped)  
Sundoobie's committed  
(Raw hip hop)

All tha sickest MC's world wide we tha illest  
'Cause y'all is committed  
(Easy rock)  
Rob-vem's committed  
(Zodac)  
And Kemo's committed  
(World wide)  
So feel this one-two S and M come the realist

R.S.C, that's right, we come the illest
