Dropped 300 G's on my ride

[Mad Child]

You can try shooting but you aint hitting shit, I just
dropped 300 on a bullet proof whip
You cop like 300 I dropped like 300 on a bullet proof
whip so you aint saying shit.
Ya my gucci bunny she bought me a gucci money clip,
but my money so thick that my money dont fit.
I got so many clothes I dont know which to pick, if it aint
gucci or louie then it aint about shit.
Im so fly I'm VIP I never wait in line I design rhymes in
clever ways
A heavy feather weight so fly I levitate so fly I elevate
so high I'm heavenly.

[Chorus]

Hop on my G ride, them Gucci jeans fit, cause I'm a G
making G's with my G chicks.
Shorty I'll take you around the world in my G6 you got a
man lets just keep this a secret

Im so fly (so fly) so fly (so fly)
Dropped 300 G's on my ride
Ya I'm fly (so fly) so fly (so fly)
Bullet proof whip full of women inside

[Prevail]

Now shorty wanna lay back in the may bac
When I start she dont say stop even when them haters
pop.
Bullet proof glass I'm the captain first class
The leather soft as a feather
Run under the seat my barretta
The mother fucker try to jack me to heaven
They headed now, hollow tips bouncing off my hood
My whip like superman
Ill thank you for shooting me
Im not even the luuga king
Penetrate you dont believe it well let me demonstrate
My jewelry custom made runs in my blood line
Cuts like a razor blade stay away from one time
Except for that one time, that was only over night
They fucked up the paper work, now thats what I call
oversight, ye

[Chorus]

Hop on my G ride, them Gucci jeans fit, cause I'm a G
making G's with my G chicks.
Shorty I'll take you around the world in my G6 you got a
man lets just keep this a secret

Im so fly (so fly) so fly (so fly)
Dropped 300 G's on my ride
Ya I'm fly, so fly
Bullet proof whip full of women inside
