*[Mad Child and Prevail]*

Rock for the masses  
Rock for the masses  
Plastic explosives, ferocious  
Flashbacks and overdoses  
Rock for the masses  
Rock for the masses

*[Mad Child]*

Yo, fire and anger, barbarians bang  
We're furious things, we take this as a serious thing  
You curious man? Then follow along  
I'm outta control, the music seems  
At times I act intolerable  
Don't try to swallow it whole, take it piece by piece  
I rip you limb by limb  
Cuz I'm a beast that feasts on the weak minded  
You'll find that I'm a basket case  
One step ahead because my heart pumps at a faster  
pace  
Assasins, rapidly whippin' up a masterpiece  
Iron jaws, I'm causin' a catastrophe  
Has to be disasterous for us to care  
I'm openin' the door for the mentally prepared  
Come on in an' try this on for size  
We don't act surprised, we don't sympathize  
We just maintain the stature as we ransack the weak  
Drastic changes from a fantastic freak

Freak fantastic  
Rock for the masses  
Rock for the masses  
Plastic explosives, ferocious  
Flashbacks and overdoses  
Rock for the masses

Rock for the masses

*[Prevail]*

Down to the wire, we take it down to the fibre  
A pilot, a fighter, or anything in my range of fire  
Is considered over, I dip a victim deeper than  
bossanova  
When in the shoulder, makes it hard to steer, I want in  
again  
We hunt more than deer my friend, the fearless  
defend  
The only real place we know, the balance of 'yes' and  
'no'  
Is a festival of freaks that pledge to pull the weak from  
the edge of sweet success  
Seek and destroy is a test, I enjoy when they pour from  
the hornet's nest  
The headquarters for the out of order  
I can drop you out front, or I can save you the quarter  
Any way you look at it you're down for the count  
Drowned by the Count, for the last red ounce

*[Mad Child]*

Rock for the masses, Prev rock glasses  
Used to drop acid, Coke not a classic  
Peace to Dilated, Arsonists and Jurassic  
I'm a fuckin' freak, so I'mma freak fantastic  
Can't get past it, Mad Child is spastic  
Bite worse than bark, I'm a caine corso mastiff  
Shit get drastic, fuck gettin' your ass kicked  
Kids get blasted, frozen closed caskets
