[Evidence]

I usta get hype off gettin little mentions
Then I started wantin more attention
Then I started wantin the whole crowd to know every
word of my shit an sing it loud
Yes we are mess with ev you get my best
Im tryin to get these bars up
You know ev is in the building
You know ev is focused like hype william
Except I dont yell cut
And take two dont really happen that much
Im tryin to figure out a new ryme and a new dance
Im the professional I always bring my plans (plants)
Started the show
They put dividers up
The second song people climbin em (of course)
They always try but that shit dont work
So everybody move nobody get hurt

[Madchild]

Screamin deamons high land comes
Talented I'm the unbalanced one
Mentally challenged I'm violent son
Impossible to tell where my style is from
Madchilds an egomaniac

My heads gigantic
Thick skull like a metal plates been implanted
Stubborn as a bull dont tell me I'm an adult
Im an animal dog the way I've been handelin folks
Cant smoke cannabis I need an ambulance
Choked off whatevs smoked tho I'm a fan of it
Place where I live to the place where I stay
One foot in vancouver one foot in l.a.
Pounds come down and the kegs go back up
Cars and planes and trains and mack trucks
So hit us for that crime when the bricks dont cut it
My people are the reason when this city gets flooded

Stomp. Clap. Move. Back.
Swollen members, so deadly
Stomp. Clap. Move. Back.
Dilated peoples in the mother fuckin house
Stomp. Clap. Move. Back.
You dont wanna mess with us
So deadly
Stomp. Clap. Move. Back.
A dominate breaks
On tempo

[Evidence]
People are sleepin its the deep end
Slang these trees like its christmas weekend
Who give a fuck about some brand new sneakers
I just got my brand new genelec speakers
Ya heard I'm rollin my herb
On a pictures of myself on the cover of herb
We all playas with no ref
Evidence ever since I came in the game I never left

[Madchild]
I got a mistress
And a a mistress for my mistress
My main girl gets an x5 for christmas
Tried just one but they all so delicious
You got a full plate I got a whole set of dishes
Shoebox hidden full of videos and pictures
I dont refer to them as bitches
My man put me on this date and I laughed
Cus I aint fuckin with a bitch less than an eight and a
half (woops)

Stomp. Clap. Move. Back.
Swollen members, so deadly
Stomp. Clap. Move. Back.
