There is nothing I wouldn't do
For you
(All that you want, that is all that you need)
Cause boy, you know
(You got me)
And I'm gonna do anything

Anything you wanna do
I am gonna try to
Boy, my body's just for you
Pleasure is our destination
You can drive us if you chose
(All my love's for you)

Anything you wanna do
I am gonna try to
Boy, my body's just for you
Pleasure is our destination
You can drive us if you choose
(If you chose to, all my love is for you)
