Please don't push my back against the wall, wall
You violate my team I'm going off, off
I'm a Warrior
I'm a Warrior

I'm wearing black like Darth Vader
We wearing black like we play for the raiders
In the black Mercedes
I fuck white bitches
I make love to black ladies
Get head from hookers with no condom I'm that crazy
I told that bitch on X that is not my baby
then ran from that bitch like that bitch had rabies
All these nail faggots dressing like it's the 80's
Pink shirts and tight jeans I am not participating
You a violator
I'm an annihilator
You just a grimy hater
I raise the crime rate up
I beat you up steal your drugs and I'm a try 'em later
Soon as I get on methadone I make your dreams come
true
Cause I'm a gladiator with the prime of substance
abuse
Mixing coke and oxycotton just for something to do
And if you fucking with my crew
I'm pointing something at you
Cause pills or no pills I'm still a battle-axe warrior
Take you to the top and my crew notorious
That's right bitch my click victorious

Please don't push my back against the wall, wall
You violate my team I'm going off, off
I'm a Warrior
I'm a Warrior

Yo, see them dark shadows by the fire escape?
Crowbars in the hands chainsaws and blades
Sharp fangs like blade
Day walkers night watch not one of my brothers will fall
on my watch
I'm a sentinel identical to those on X-men
My origins from the country they made reppin X in
Prevail, prevail the P make it capital
Tick, Tock goes my time bomb lots of shrapnel,
High cost of living got me cutting expenses
Stay sharp bowls of razor blades for my breakfast
Iodine is milk, rubbing alcohol for orange juice
I'm real fired up and running at you full force dude

Please don't push my back against the wall, wall
You violate my team I'm going off, off
I'm a Warrior
I'm a Warrior
