[White Python]

White python, night lights on, Mike Tyson, I'm white  
lighting, complete freak on the beat by Viking, black  
jeep enemies don't like em, keep on fighting keep  
reciting, writing he will defeat these titans, speak like a  
king, live like a pirate, move like a gypsy, cause small  
riots, not tall giant, also flying, no joke no matter how  
broke I am, don't go crying, won't start lying, city's a  
joke, still [?], feel good as I am without doing dope,  
mad child clean like mouth full of soap, no doubt not  
out with the pros, just stay above water like houses  
afloat, small blue pills thousands of those, fact that's a  
place that I'll never go, [?] Centrifical force or the  
simplest flows like wind through the door.
