I know that you're hiding things  
Using gentle words to shelter me  
Your words were like a dream  
But dreams could never fool me  
Not that easily

I acted so distant then  
Didn't say goodbye before you left  
But I was listening  
You fight your battles far from me  
Far too easily

"Save your tears cause I'll come back"  
I could hear that you whispered as you walked through  
that door  
But still I swore  
To hide the pain when I turned back the pages  
Shouting might have been the answer  
What if I cried my eyes out and begged you not to  
depart?  
But now I'm not afraid to say  
What's in my heart

Cause a thousand words  
Call out through the ages  
They'll fly to you  
Even though I can't see  
I know they're reaching you  
Suspended on silverwings

Oh, a thousand words  
A thousand embraces  
Will cradle you  
Making all of your weary days seem far away  
They'll hold you forever

Oh, a thousand words  
Have never been spoken  
They'll fly to you  
They'll carry you home and back into my arms  
Suspended on silverwings

And a thousand words  
Call out through the ages  
They'll cradle you  
Turning all of the lonely years to only days  
They'll hold you forever

Ooooooh, a thousand words..
