Kyrstle lives on a farm  
She has a big red barn  
She milks her goats every day  
In her ver special way

She's Kissing Isaak,  
Kissing Isaak,  
Kissing Brian

She Saw Isaak At Danielles  
She knew that brian was out of town

She's Kissing Isaak,  
Kissing Isaak,  
Kissing Isaak

She saw Brian at his house  
She knew that Isaak was not around

She's Kissing Brian,  
Kissing Brian,  
Kissing Brian

Krystle...  
Krystle...  
Isaak...  
Brian...

Krystle still lives on a farm  
She still has a big red barn  
She still milks her goats every day  
In her very special way

She's kissing no one,  
Kissing no one,  
Kissing no one,  
Cause she's alone
