My friends all tell me that I shouldn't believe in you  
Sometimes I wonder and I ask myself what should I do  
What I'm feeling, I can't explain somehow I know it's  
true  
I'm here for you, and if you want me too

Chorus:

I'll take a chance with you, you in love  
You're all that I need, the air I breath  
You mean the world to me

Verse 2:

My friends they ask me what is it I see in you  
If I had an answer, tell me why am I still so confused  
What I'm feeling I can't explain somehow I know it's  
true  
I'm here for you, and if you want me too

Chorus:

I'll take a chance with you, you in love  
You're all I need, the air I breath  
You mean the world to me

Bridge:

What I'm feeling I cant explain somehow I know it's true  
I'm here for you (I'm here for you) (I'm here for you)  
And if you want me too

I'll take a chance with you, you in love  
You're all I need the air I breath  
You mean the world to me

I'll take a chance with you in love  
You're the one I need the air I breath  
You mean the world to me

Anything you want my love I'll give it to you baby  
I give you my heart and my soul  
Yeah uh ohh
