Over now  
It's taking me  
Over now

Sweet Sung Song of the traffic flow  
Round my head I need to know  
Please be mine forever

I know myself at the fading light  
Can bathe me, hold me safe to the night  
I'll Awake and change forever

Peace in the world  
A love in the sky  
Is taking me over  
And I know it's here  
I know it's right

Over now  
It's taking me  
Over now  
It's taking me  
Over now  
And I'm eternally yours

I know myself at the fading light  
Can bathe me, hold me safe to the night  
I'll Awake and change forever

Peace in the world  
And love in the sky  
Is taking me over  
And I know it's here  
I know it's right

Over now  
It's taking me  
Over now  
It's taking me  
Over now  
And I'm eternally yours

Coke and Cane and Autumn rain..
