Forged by the Crow-Mage from shards of darkness
Honed by the half-breed to vorpal sharpness

Behold! The bastard's blade

Bane of the demon lord
Slayer of the spider priest
Spiller of the silver blood

Fragments of bore infused with purest steel
A warrior's hand and a wizard's mind to wield
Killer of Lor avenging those accursed
Gathering knowledge, quenching deadly thirst

Behold! The bastard's blade

Bane of the demon lord
Slayer of the spider priest
Spiller of the silver blood
