Beyond there lies the Archer
Lost in lawless lands
Onward rides the archer
Along in lawless lands

Some say power reckons
from beneath the ancient sands!

No woman will have him,
no man calls him friend.
No woman will have him,
no man calls him friend. =(

Exiled at the bar,
by his only kin!
Through Twilit skies he rides
searching for darker sides of the world
INTO THE LIGHTTTT
Where were going, he has been left astray

Through lawless lands he flies
across the burning plains of the world
under the suns
His life begins to slip
awayyyyyyyyyyyyyyyyyyyyyyyyyyyyyyyyyyy
a shiny angel decends!
down from the sky
her coming was for sex
