"State Of Shock"

All day long I'm pushed around
I just can't take this shoving anymore
Life ain't fun when passion is none
Day passes by so very slow
State of shock breaks apart
My sanity to pieces
Makes me feel so unreal
Got me in a barrelhouse state of shock
The same old story happens every day
A dream comes by and then...oh take it away
It makes me realize that more is maybe less
And number one's the best "Fuck all the rest"
State of shock breaks apart
My sanity to pieces
Makes me feel so unreal
Got me in a barrelhouse state of shock
...Hey where is everybody goin?
I'll tell you once then again I'll tell you twice
This state of mind won't take us to paradise
So turn on the power keep it for yourself
One must learn to live in self defense
