I've tried and I've tried to forget about you
Just little lies for myself
And you were innocent and true as can be
And now you are not here with me

I can't go on
And keep on keep on crying inside and blame destiny
(x2)
I need to know
That you'll come back to me
Back to me
And you'll come back to me
In my arms

Your name is Yashal
Strong like the mountain
Yashal
You're soft like snow
Yashal
Yashal, Yashal, Yashal

I can't go on
And keep on keep on crying inside and blame destiny
(x2)
That I need to know
That you'll come back to me
In my arms
Oh you'll come back to me
Back to me

Your name is Yashal
Strong like the mountain
Yashal
You're soft like snow
Yashal
Yashal, Yashal, Yashal
