MARVIN:

One, two. One, two, three. One, two, three, four.
Marvin is boy who has giddy seizures,
He's laughing all the time.
Marvin is boy who has giddy seizures,
Sometimes they're fatal.
When he turns upside down like a ladle pouring soup
He's a veritable fool.
Marvin is my very best friend in school.
It's me and Marvin.
Lately I've been thinking maybe Marvin needs attention
Of a private sort.
Maybe this whole seizure thing is something he
invented,
Or is it medicinal: should his mother be blamed?

ALL:

Marvin has a something which most everybody needs;
He cannot ever be embarrassed.

MARVIN:

Marvin is my very best friend in school.
And I'm embarrassed and ashamed. Oh.

LADIES (all at once):

Marvin! What are you doing?
Who do you think you are, Marvin?
What's Marvin doing?

MARVIN:

Pardon me boys and girls, but I'm having a seizure.

LADIES:

Oh, Marvin. Hey, Marvin.

MARVIN:

Yes I'm having a seizure today, hey, hey,
Watch me laugh.

LADIES:

Marvin's giddy seizures.

MARVIN:

Watch me cry.

LADIES:

Marvin's giddy seizures.

MARVIN:

I am counting on your prayers to get me by.

LADIES:

Marvin's giddy seizures.

MARVIN:

Well my arms disappear and my legs disappear and
my knees disappear and my
shoulders disappear

When Marvin throws the best fit of the year.

ALL:

Marvin's giddy seizures: Marvin needs love.

He needs love. He needs love.

He needs love. Ooooooh.

MARVIN:

Marvin holds his breath, his face is under water

But that's not a seizure.

Marvin talks of death, he imitates a slaughter

But that's not a seizure.

Then he begins to shriek like a virgin,

And his eyes turn an ordinary fizz--

(Nothing's exactly like I say it is)--

But hey, that's a seizure!

LADIES (all at once):

Marvin! What are you doing?

Who do you think you are, Marvin?

What's Marvin doing?

MARVIN:

Pardon me boys and girls but I'm having a seizure.

LADIES:

Oh, Marvin. Hey, Marvin.

MARVIN:

Yes, I'm having a seizure today, hey, hey, hey, hey,
hey.

Watch me laugh.

LADIES:

Marvin's giddy seizures.

MARVIN:

Watch me cry.

LADIES:

Marvin's giddy seizures.

MARVIN:

I am counting on your prayers to get me by.

LADIES:

Marvin's giddy seizures.

Arms.

MARVIN:

Disappear!

LADIES:

Legs.

MARVIN:

Disappear!

LADIES:

Groin.

MARVIN:

Disappears!
LADIES:
Knees.
MARVIN:
Disappear
When Marvin throws the best fit of the year.
ALL:
Marvin's giddy seizures: Marvin needs love.
He needs love. He needs love.
He needs love. Ooooooh.
Marvin's giddy seizures: Marvin needs love.
He needs love. He needs love.
He needs love. Ooooooh.
Marvin's giddy seizures: Marvin needs love.
He needs love. He needs love.
He needs love. Ooooooh.
