All of You is more than enough for
All of me, for every thirst and
Every need, You satisfy me
With Your love, and all I have in You
Is more than enough

You are my supply, my breath of life
Still more awesome than I know
You are my reward, worth living for
Still more awesome than I know

And all of You is more than enough for
All of me, for every thirst and
Every need, You satisfy me
With Your love, and all I have in You
Is more than enough

You're my sacrifice, of greatest price
Still more awesome than I know
You're my coming King, you are everything
Still more awesome than I know

And all of You is more than enough for
All of me, for every thirst and
Every need, You satisfy me
With Your love, and all I have in You
Is more than enough

More than all I want
More than all I need
You are more than enough for me
More than all I know
More than all I can see, yeah
You are more than enough

More than all I want
More than all I need
You are more than enough for me
More than all I know
More than all I can see, yeah
You are more than enough

And all of You is more than enough for
All of me, for every thirst and
Every need, You satisfy me
With Your love, and all I have in You
And all I have in You
And all I have in You
Is more than enough
