"In Your Arms"

Remember this place, I know I've been here before
I was all alone and I needed so much more
A place to rest, a need to run and hide
You have given me this life

I feel at home in Your arms... where I want to be
I am at home in Your arms...

Along the way, You have held out Your hand
In my desperation, You have given me a chance
I'm holding on to the promises I know
That You'll never let me go

I feel at home in Your arms... where I want to be
I am at home in Your arms... where I want to be
Oh oh, where I want to be

I feel at home in Your arms... where I want to be
I am at home in Your arms...
Yeah

I feel at home in Your arms... where I want to be
I am at home in Your arms... where I want to be
Oh oh, where I want to be
Oh oh, where I want to be
Where I want to be
Where I want to be
Where I want to be
