(Hold on a second)

Make a joyful noise to the Lord, all the earth! Make a joyful noise to the Lord, all the earth! Make a joyful noise to the Lord, all the earth! Make a joyful noise to the Lord, all the earth!

The flowers of the field are crying to be heard The trees of the forest are singing And all of the mountains with one voice Are joining the chorus of this world (yeah yeah, oh yeah yeah)

Make a joyful noise to the Lord, all the earth! Make a joyful noise to the Lord, all the earth! Make a joyful noise to the Lord, all the earth! Make a joyful noise to the Lord, all the earth!

The flowers of the field are crying to be heard The trees of the forest are singing And all of the mountains with one voice Are joining the chorus of this world (yeah yeah, oh yeah yeah, oh yeah yeah)

And I will not be silent, no I will not be quiet anymore Oh I will not be silent, no I will not be quiet anymore Well I will not be silent, no I will not be quiet anymore Oh anymore, oh anymore Yeah, yeah, yeah,

Running through the forest Dive into the lake Bare feet on beaches white Standing in the canyon
Painted hills around
And the wind against my skin
Every ocean, every sea, every river, every stream
Every mountain, every tree, every blade of grass will sing

Make a joyful noise to the Lord, all the earth! Make a joyful noise to the Lord, all the earth! Make a joyful noise to the Lord, all the earth! Make a joyful noise to the Lord, all the earth!
