Take my hands and take my heart
Every piece and every part
Make me new and wash me clean
I surrender all of me

Take my hands and take my heart
Every piece and every part
Make me new and wash me clean
I surrender all of me

I'm ready to give
Ready to give it up, to give it up to You
I'm ready to give this heart to You
I'm ready to live
Ready to live it all, to live it all for You
I'm ready to live this life for You

Take the chains and break them through
Less of me and more of You
Hold me up so I can breathe
Father, You're everything to me

I'm ready to give
Ready to give it up, to give it up to You
I'm ready to give this heart to You
I'm ready to live
Ready to live it all, to live it all for You
I'm ready to live this life for You

Jesus, my one desire, my hope, my truth
Jesus, my one desire is You

I'm ready to give it up to You
I'm ready to give, to give it up to You

I'm ready to give
Ready to give it up, to give it up to You
I'm ready to give this heart to You
I'm ready to live
Ready to live it all, to live it all for You
I'm ready to live this life for You

I'm ready to give
Ready to give it up, to give it up to You
I'm ready to give this heart to You
I'm ready to live
Ready to live it all, to live it all for You
I'm ready to live this life for You
