"My Glorious"

(The world is shaking)
The world's shaking with the love of God
(Great and glorious)
Great and glorious, let the whole Earth sing

(And all You ever do)
And all You ever do
Is change the old for new
People
We believe that

God is bigger than
The air I breathe
The world we'll leave
God will save the day
And all will say
My glorious

(Clouds are breaking)
Clouds are breaking, Heaven's come to earth
(Hearts awakening)
Hearts awakening, let the church bells ring

(All You ever do)
And all You ever do
Is change the old for new
People
We believe that

God is bigger than
The air I breathe
The world we'll leave (God will save the day)
God will save the day
And all will say
My glorious (My glorious)

My glorious, my glorious
My glorious, my glorious
You're my glorious, my glorious
My glorious, my glorious

God is bigger than
The air I breathe
The world we'll leave (God will save the day)
God will save the day
And all will say
My glorious (sing it out)

My glorious, my glorious
My glorious, my glorious
My glorious, my glorious
You're my glorious, my glorious

Glory, glory, send Your glory
Glory, glory, send Your glory
Glory, glory, send Your glory (ask Him)
Glory, glory, send Your glory

(Amen, thank you guys so much)
