Holy Spirit come to us
We long for nothing more, yeah we long for nothing
more
Come to us like a rushing wind
We long for nothing more, yeah we long for nothing
more
And fill this place with Your love and grace
We need You now and forever more (and forever
more)

Oh Lord, we're crying out for more of You
You and all Your glory
And we long for nothing more, yeah we long for
nothing more than You
Just to know in part Your love
The beating of Your heart and
We long for nothing more, yeah we long for nothing
more than you, yeah

Jesus You are everything I need
We long for nothing more, yeah we long for nothing
more
You are my hope my peace, you are everything to me
We long for nothing more, yeah we long for nothing
more
Your name is great in all the earth
We love to sing Your praises
It's all about You (it's all about You)

Oh Lord, we're crying out for more of You
You and all Your glory
Oh Lord, we're crying out for more of You
You and all Your glory
Yeah we long for nothing more, yeah we long for
nothing more than You
Just to know in part Your love
The beating of Your heart and
Yeah we long for nothing more, yeah we long for
nothing more than you, yeah

We long for nothing more, we long for nothing more

than You
Just to know in part Your love
The beating of Your heart and
Yeah we long for nothing more, yeah we long for
nothing more than you, yeah

We long for nothing more
We long for nothing more
