Oh Lord You're beautiful
Your face is all I seek
And when Your eyes are on this child
Your grace abounds to me

Oh Lord You're beautiful
Your face is all I seek
And when Your eyes are on this child
Your grace abounds to me

Your love Lord shines so bright
I need Your love in my life
Strip away the selfish things in me
So that You Lord are all that I see

Oh Lord please light the fire
That once burned bright and clear
Replace the lamp of my first love
That burns with holy fear

Your love Lord shines so bright
I need Your love in my life
Strip away the selfish things in me
So that You Lord are all that I see

Your love Lord shines so bright
I need Your love in my life
Strip away the selfish things in me
So that You Lord are all that I see

I see
