I am consumed, I am amazed  
I am set free by the power of Your name  
I am alive, I am made new  
The peace that's in my heart, it comes from You

I am consumed, I am amazed (echo)  
I am set free by the power of Your name  
I am alive, I am made new (echo)  
The peace that's in my heart, it comes from You

The pleasure of this righteous King  
More than words or songs we sing  
I'll live for You in every part  
All of me... my life I bring

One day soon, I know You'll come  
And You will meet me in the clouds and take me home  
And til that day, I'll long for You (echo)  
Oh precious thought that You are longing for me too!

The pleasure of this righteous King  
More than words or songs we sing  
I'll live for You in every part  
And all of me... my life I bring

Jesus, Jesus  
Jesus, Jesus  
Jesus, Jesus

The pleasure of this righteous King  
More than words or songs we sing  
I'll live for You in every part  
And all of me... my life I bring  
And all of me... my life I bring  
And all of me... my life I bring
