Your love is extravagant
Your friendship, oh intimate
I find I'm moving
To the rhythms of Your grace
Your fragrance is intoxicating
In our secret place
Your love is extravagant

Your love is extravagant
Your friendship, oh intimate
I find I'm moving
To the rhythms of Your grace
Your fragrance is intoxicating
In our secret place
Your love is extravagant

Spread wide in the arms of Christ
Is the love that covers sin
No greater love have I ever know
You considered me a friend
Capture my heart again

Your love is extravagant
Your friendship, oh intimate
I find I'm moving
To the rhythms of Your grace
Your fragrance is intoxicating
In our secret place
Your love is extravagant

Spread wide in the arms of Christ
Is the love that covers sin
No greater love have I ever know
You considered me a friend

Spread wide in the arms of Christ
Is the love that covers sin
No greater love have I ever know
You considered me a friend
Capture my heart again
Capture my heart again, Lord

Capture my heart again

Jesus, Jesus, you've considered me a friend

You've captured my heart again

Oh, You've captured my heart again, again, again

Oh, Jesus
