It's not easy

To step both your feet into the sky

It's not easy

To changed all your dream into reality

Everything on you

Can proved exactly

As long as your step

Don't stop suddenly

Chorus:

Went into the top

Between the sparkling light

Engraved all your wish

Hold beautifully

Went into the top

Holy dream in you heart

Promise that you'll be

Oh my friend, baby

You will be on top in Akademi Fantasi

It's not easy

To reach all the stars glittering the night (Oh yeah)

It's not easy

To take all these way and passed away

Everything on you

Can proved exactly

As long as your step

Don't stop suddenly

(Chorus)

Now look at you and trust yourself

With your confidence and all your faith

(Chorus)
