First Love

Chorus:

First love is unforgettable (They said)

But now I don't believe that's true

First love seems undeniable (Uh huh)

All I see is my heart in the pieces of two

Last time I believe first love is sweet

Since I feel this through every heat

And see it all like some happiness

To me first love thrown me a sadness

Can you believe it?

Reminds me how I fall to the ground

She's about to let this feelings go down

Hate her so much even only her shadow

Those things just kick me to this glow

You have to believe it!

(Back to Chorus)

First time thought it would be last forever

No matter how it won't let it all better

Well I see I have done my dirty time

To me first love is a crime

Is it seems too obvious?

(Back to Chorus)

Wish this memory will fade away

Since myself has time to pray

This here there's a thing I want to say

First love! just go away this day!!!

(Back to Chorus)
