(Verse)

Anticipation, of what's to come
I'm so happy that, I'm the lucky one
So long I've waited but it's, never too late
For love...
It feels so right, baby, that it can't be wrong
Where I am weak, baby, you make me strong
I'm down for you, and whatever you want to do...
It's all up to you, because

(Chorus)

Anything you wanna do
I am gonna try to
Boy my body's just for you
Pleasure is the destination
You can drive us if you choose
To... It's all up to you because

(Verse)

Whatever method used
Is alright with me
As long as you get to where, you need to be
This is the vision made for both of our eyes
To see, yeah...
It feels so right, it can't be wrong
Where I am weak, ba-by, you make me strong
I'm down for you, and whatever you want me
To do... it's all up to you, because

(Chorus)

(Raps)

[Ol Dirty Bastard]
Dirty Bas, style cuts like glass
Gotta gotta keep it high power to the mass
Yo Gods, another like platinum hit
Party people all around be sayin that's the shit
[Method Man]
Kaboom! Guess who stepped in the room
Tical, hailing from the Shaolin Isle
It be me the killer bee, on the M-I-C

With the S-S-double-double-U (W) to the V-V
Me me goin downtown, let me see
If we all in together now, make it mo' better now
Listen, I ain't sweatin no new competition
Flow, goin mad low like I'm dissin
[U-God]
Another chapter from the Wu-Tang group
Take a look or a peak, killer bees never sleep
Nonstop, put you on the choppin block
Unorthodox, attitude to melting pot
[Method Man]
I'll do anything, I'm so into you
Right here, I'm weak, downtown with the Wu
Kaboom! Guess who stepped in the room
The S-S-double-double-U (W) to the V-V
[Coko]
Anything....

Anything you want me to do I'll do it
(Oh anything, that you want me to do) Ohhh..
Anything you want me to do I'll do it
It's all up to, you

Anything, it's what you want me to do
You can drive us
Oh, oh.... Anything you wanna do right now

(Cape)
Anything you wanna do
Boy I'm gonna try to
Body's just for you
Destinations love
You can drive us if you choose
To...

(Chorus)
