Don't be afraid, baby  
Don't be afraid, baby

(Verse 1)

Love is just like a storm  
No sunshine at all  
To guide you my way  
Oh, boy, you know that I care for you  
Don't be afraid, my love is here to stay  
Oh, yeah. You don't have to be scared of me

(Chorus)

I'm coming home to you  
Don't be afraid, baby

(Verse 2)

I have to go away now  
I'll always be here with you  
Oh, you're a special boy, here in my heart  
Our love is strong, and I won't keep you waiting for love

(Chorus 4x)

[Taj-Spoken]

Come here, boy.  
How many times do I have to tell you, I'm never gonna  
leave  
Home is where my heart belongs  
Because home is where you are  
Your love is so good to me, words can't express

[Coko]

I can't wait, gonna make love to you. Oh, yeah!  
All night, all night long  
All night, all night long  
All night, all night long

Repeat Chorus Until Fade
