[Lil' Ceasar]

SW - with the V , yeah, you know

Characters

...

Oh life is short

What

Never thought I'd find love, till the day I found you,
sugar

Never had no one to hold me like this, (like this, like
this)

What

Oh no no, Oh

Characters

What

Oh oh

Like this what, like this what, oh

[SWV]

This time last year, I was feeling so alone

I never thought that you would come along

You changed my whole world

Now all I have is memories

My lonely days are gone

You changed the right from wrong

[Chorus]

And I never

Never thought I'd find love,

Till the day I found you, sugar (I never had no one)

Never had no one to hold me like this, (like this, like
this)

No no no,

[Repeat Chorus again]

Never imagined just what it would be like

To have this feeling that I feel

Without you in my life

It's like a day of sunshine after days of cloudy skies

And when you held me in your arms

You opened up my eyes

And I tell the world that I'm in love (yeah, yeah)

And it feels so good to know

You're the one that I adore

Every day (everyday and night) you love me right
I don't want to trade it for nothing in this world

[Chorus]

I never
Never thought I'd find love,
Till the day I found you, sugar (I found you)
Never had no one to hold me like this, (like this, like
this)
No no no,

[Repeat Chorus again]

[Lil' Ceasar]

Imagine this, me Caes
E 3's, chesties, palm trees
I know you like the way it sounds so take your pic hon
And watch this tongue go dead between your lips uh
While my niggaz be stazzin' out, I blowin' mad spazzles
out
Your leather, my house
What's even better, my cheddar, your couch
It's now or never, my tongue in your mouth
I makes it happen, dumber than a Hummer with my
man Trife jigga
Only boney girls with nice figures, ridin' dat digga
Whole figure, platinum with gold diggers
So what's it gonna be girl, tell me who you roll with
Who you wanna be with, who you creep with
I giving you the green light, so if you the right hoe
Ask Joe, square the double, be a playa no more
I never
Never thought I'd find love,
Till the day I found you, sugar (I never felt this way)
Never had no one to hold me like this, (like this, like
this)
No no no,

Repeat and fade
