[Taj]

(Verse)

I only wanna make you smile
And you only wanna make my know
That you wanna see the way I love
And I only wanna let it show

[Coko]

I was young
And new to the game
Now I move carefully
So won't you please
Be patient with me
For a time

(Chorus)

While I gaze into the mysteries of your mind
Who knows what I'll find
I hope that there will be some simple piece of mind
And troubles left behind

[Lelee]

(Verse)

You say you wanna love me down
I say we need to start it slow
(Start lets go slow baby)
I do wanna get into you
But there's so much more I need to know

[Coko]

(Are you freeeee, and worthy of me)
Gotta move carefully
So won't you please
Be patient with me
For a time

(Chorus)

(Bridge)

(Oooohhh) Mystery, stery....
(OOOOOoHHH)
(Ooooooh, ooooh)

[Lelee]-(Coko)
(Verse)
Cause I'm the one
(I'm the one)
Who looks out for me babe
Gotta move carefully
So won't you please
Be patient with me
For a time

(Chorus)
(fade out with chorus)
