[Talk: Coko]

Truly He taught us to love one another
His law is love and His gospel is peace [Lelee]
O holy night
The stars are brightly shining
It is the night of the dear Saviour's birth

[Taj]

Long lay the world in sin and error pining
Till He appeared and the Soul felt it's worth
(A thrill of hope the weary world rejoices)
(For yonder breaks a new and glorious morn)

(Fall on your knees Oh, hear the angel voices)

[Coko]

O night divine, O night when Christ was born
O night divine, O night, O night divine

(Fall on your knees Oh, hear the angel voices)

[Coko]

For the slave is our brother
And in his name
All oppression shall cease
With hymns of joy
In grateful chorus
Let every heart, adore his name
O night divine, O night when Christ was born
O night divine
