(Chorus)

It goes on and on  
We won't stop to the break of dawn - go  
On and on - got to keep on movin' on  
On and On till we get enough  
You know how we do it

(Verse)

Feels so good to see  
Everybody down with me  
Everything's al right  
Cause we're groovin' to this vibe  
Life can be so sweet if you can swing with me  
Party's on tonight - everybody knows  
(That there's no doubt about it)  
Baby it's on, I'm ready to dance all night long  
(Find somebody)  
Get my groove on - party through the night  
Until the morning light (you know how we do it)

(Chorus)

(Verse)

I know just what to do  
To get the best from you - uh huh  
(Baby I can tell you what I got to show you)  
I'm flexible, sexible, some say I'm incredible  
Ohh - you're gonna like it  
(That there's no doubt about it)  
Baby it's on, I'm ready to dance all night long  
(Find somebody)  
Get my groove on - party through the night  
Until the morning light (you know how we do it)

(Chorus)

[Erick Serman]

Yeah, yeah, yeah, yeah  
I grab the mike and I react like Noah  
The rhyme flow of my style is Rocky Balboa  
We make's it hot like Coko, Lelee and Taj

Oh my god  
I be the flyest thing since TV  
And ya'll watchin' me and SWV  
Prompt the lawn chair lay back like the rap word is bond  
And let's rock the spot on and on uh

Repeat Chorus until Fade
