(Verse)

There's no love I know  
Greater than your love, baby for sure  
And I've searched far and wide  
And the stars above  
But no love endures  
So please return your love to me  
You know that we should be together  
In love forever  
You are the one that I need

(Chorus)

You are my love  
And I need you here to love me  
I need you here I swear  
You are my love  
And I want you to warm me  
I'll always need you there

(Verse)

There's no pain I know  
Like the pain I feel, feel in my heart  
And I have cried, lord knows I've cried  
But I still have the will  
I hope you're not far, oh  
If you could only here the words  
I'm sorry that I hurt you baby  
I must been crazy  
Come back wherever you are

(Chorus)

(Bridge)

There's a certain amount of love I need  
I'll never give up till you're here with me  
Lord knows you're (all I'm longing for)  
Hmm, you see I never knew how much in love I was  
I'm sorry for all the wrong I've done  
(All the wrong I've done forgive me - you---)  
Forgive me baby, you are the only one---

Repeat Chorus Until Fade...
