Call Soundtrack.

(featuring Busta Rhymes)

Busta Rhymes and SWV

Puff Daddy Remix

One time, blowin' your mind

(And you don't stop, remix)

You're the one for me

You can call on me

It's all I want us to be (oh yeah)

You're the one for me

I know that you're somebody else's guy

But these feelings that I have for you I can't deny

She doesn't treat you the way you want her to

Come on stop running, I wanna get with you

What your girl don't know won't hurt her

Anything to make this love go further

chorus

You're the one for me

When you need

You can call on me

When in love

It's all I want us to be

'Cause you're the one

You're the one for me

This can be an undercover romance

'Cause I feel that I'm the type of girl you should give a chance

Taste and see (taste and see)

How good it can be (how good it can be)

'Cause you don't have to worry, baby

What your girl don't know won't hurt her

Anything to make this love go further

chorus

So

What's my chance

I'm willing to do anything to get

In your pants

You don't have to worry I won't

Say a thing

And if she finds out I don't

Know a thing  
Check this out  
Yo!  
And if you ain't the bangeest chick I ever saw ya, ya, ya,  
ya, ya  
From the ceiling to the floor, I look from top to bottom  
Analyze the middle of your cleavage and your draws  
Everything remains, baby, I love the way when you strut  
When you walk by got a wide angle lens focused on  
your butt  
Perplex your looks make me black and polised  
Carmel, city stacking bone, now I'm walking tippy toe-  
ish  
Amazing how you got my heart pumping  
Whole entire body cocked on diesel like we running  
track or something  
I knew that you were the one for me  
Word is born on Flipmode and SWV  
Got the opportunity, to see how suitable and beautiful  
you can be  
When you do your nails and your cuticles  
Just stay sharp, Lord, word on my son  
Let it manifest for sure that you're the one
