"I Never Told You"

Your mad and won't tell me why

What did I do girl to make U cry

I see the tears forming in your eyes

Now I'm waiting on your reply.

Chorus:I never told you,how much I loved you

I should've told U,long ago

U never told me I had to tell U

How much I loved U,I didn't know

Took U out to dinner child,took U to a play

Bought U a diamond just yesterday

Everynight we take a roll in the hay

What do I have to do,what do I have to say

Repeat Chorus

Repeat Chorus

Now don't be so serious

Cause your drivin me away

I'm feeling delirious

Over three small words I neglected to say

Repeat Chorus

Repeat Chorus
