I wake up early every morning  
After eight hours deep sleep night  
I start the day with my daily run then I'm  
Getting dressed for my happy life

I am all right  
I guess I'm all right

Like a sunbeam I go to work  
I'm so thankful for my career  
'Cause I slipped in on a banana skin  
Started with two hands and now I am here

I am all right  
I guess I'm all right

They call me Mr. Perfect but it's hard for me to see  
What makes me so very special, what other people see  
in me but  
I guess I'm all right  
I guess I'm just all right

There is no place were I'd rather be  
I am young and healthy, good looking and free  
I am devoted to charity it feels great to be able to help  
people in need

I am all right  
I guess I'm all right  
I am a poet yes I'm so deep  
I basically live in a library  
And I am clever, yes I'm so smart  
When my friends are in trouble then they turn to me

My friends they always tell me what an awesome friend  
I am  
But I really have to say It's hard for me to understand  
but  
I am all right  
I guess I'm all right

You see I've got a winning style that some people never  
learn  
If you give away a smile then you get two back in return  
Then you'll be all right  
Then you'll be all right
