When you were mine
I was still playing
And promises, I made
Were just words I was saying

I was playing you for a fool
Breaking love's precious rule
I did you so wrong
Guess, you knew all along

That I had my boss lie for me
To say I was working late
My friends alibied for me
When I'd slip out to meet a date

But, baby, now I see
I was only cheating me
Before you go
I just want you to know

That I've had a change of heart
I've had a, had a change of heart
I see, what I put you through
And I'll make it up to you
I've had a change of heart

I've just got to show you
How differently I feel
That I can be true to you
That my love is real

But my past will forever haunt me
If you say that you don't want me
I'm down on my knees
I'm beggin' you please, won't you?

Have a change of heart
Please have a, have a change of heart
I see what I put you through
And I'll make it up to you
Please, have a change of heart, whoa whoa

Please, have a change of heart
Please, have a change of heart
