Everything about, About to go out, Me out, you out, Yes and everything is out About, out... Out, out, out, out, out, out, Let's split! I'm telling you this is it!

Everything is down, And hound, hound, hound Back down, down, down Even everything is down Abound and down, Down, down, down, down, down Let's split! Tellin' you this is it!

Nobody is right tonight, Night, height, right, tight, It isn't right Me out, you out And everything is out Out, out, out, out, out, out Let's split!
